TO: City Council President Robert Scatamaccia and members of the Haverhill City Council

FROM: William Pillsbury, Jr. Economic Development and Planning Director

SUBJECT: Zoning Amendment –Computer Drive

At this time the city wishes to propose a minor technical amendment to the Haverhill Zoning ordinance. This amendment will modify one category of use in the CH zone table of uses and be limited to only the CH zone located at Computer drive. The proposed ordinance language is attached.

The planning board has held a hearing and their recommendation will be filed with the city council. I respectfully request that the city council schedule its public hearing on this matter for Tuesday June 11, 2013 .

Thank you for your attention to this matter.
