THE NEWSLETTER OF THE HAVERHILL TRAILS COMMITTEE

SUMMER 2007-CALENDAR OF EVENTS:

Sunday, June 3- Come join the H.T.C. volunteers as we spend the morning, from 9-12, at the Crystal Gorge Conservation Area. Work will involve marking the trails with color-coded paint stencils that will help hikers stay on the trails as they enjoy this beautiful 65-acre woodlot. Volunteers should meet in the parking area along Crystal Street between homes numbered #454 and #650. Snacks, drinks and gloves provided. Please join us.

Thursday, June 14- Haverhill Trails Committee volunteers meeting at 6:00pm in Room 205 of City Hall. All are invited.

Thursday, July 19- Haverhill Trails Committee volunteers meeting at 6:00pm at the Tattersall Farm, 542 North Broadway. All are invited.

Saturday, July 28- Haverhill Trails Committee Yard Sale at the Tattersall Farm, 542 North Broadway from 8am – 1pm. This will be a yard sale of donated items, with all of the net proceeds from the sale being used to buy such items as tools, building materials and supplies needed for the H.T.C. volunteers to complete their trail work improvement projects. We will be accepting donated items anytime from now until Friday, July 27. If you have any clean, usable household or outdoor items that you no longer need, please donate them to help the H.T.C. program. Some used items we prefer not to accept are clothing, bedding, auto parts, computers, TV's, large appliance and bulky furniture. If you have any goods that you would like to donate, please call the Conservation Office at (978) 374-2334 and make arrangements with Mark Sheehan for him to pick up these items. We will also need help from volunteers to help run the yard sale so please give us a call. Thank you.

Monday, August 6- The volunteers of the H.T.C. don't just get together to work on projects, as we'll be heading out for a fun night at LeLacheur Park in Lowell to watch the Red Sox minor league team, The Lowell Spinners, play the Oneonta Tigers. We have a limited number of box seats available at the very affordable price of \$7.00 each. Game time is 7:00p.m. and we'll be meeting in the parking lot behind Haverhill City Hall at 5:15p.m., where we'll car pool to the game. If you'd like to attend, please call the Conservation Office at (978) 374-2334 to sign up and let us know how many tickets you'll need. Come join us for a fun night out.

The Haverhill Trails Committee is simply a group of volunteers who enjoy the outdoors and getting together throughout the year to work on projects such as environmental clean-ups and on the creation and maintenance of our numerous hiking trails across the City. Our group has monthly meetings which we invite anyone to attend. If you would like to get involved, please stop by and lend a hand at any of our work projects or events. We'll provide the tools, gloves and refreshments so all we need is you. Whatever amount of time you can give will be greatly appreciated. For further information contact Trails Coordinator Mark Sheehan at (978) 374-2334.

Thank You.
